

## 2015 SPONSORSHIP OPPORTUNITIES

### Dear Supporter of Local History,

The holidays are upon us once more. We have a great deal to be thankful for- and it is all because of the community support we have received. Through grants, donations, and sponsorships the museum was able to relocate the Sarpy Caboose to the museum site and feature a special exhibit on the history of crime and punishment in Sarpy County. We were also able to expand our program offerings and continue the digitization of thousands of archival images from local newspapers.

As we look to 2015, I invite you to join us as a steward of local history. This is a great opportunity to showcase your business while showing support for a great cause in the community. The different sponsorship opportunities available are outlined in the following three pages. The museum is a 501(c)(3) nonprofit organization, this means sponsorships are tax deductible to the full extent of the law.

Please consider these options and make a selection that best suits your business. Should you like to discuss these opportunities further, please contact the Sarpy County Museum at (402) 292-1880 or by email at [museum@sarpymuseum.org](mailto:museum@sarpymuseum.org).

Thank you for keeping local history alive through your support of the Sarpy County Museum.

Sincerely,

Ben Justman  
Executive Director

## 2014 in Review

This year we added a series of live quilting demonstrations to compliment our annual quilt show. With over 1,000 visitors between the months of May and August, it was the highest turnout for a quilt show to date.

Our annual Bellevue Cemetery Tour also drew the largest crowd to date. This year's tour highlighted former judges, sheriffs, police officers, and a few criminals. A second tour featured Civil War veterans buried at the Cedardale Cemetery in Papillion. This tour was also well received.

The crowning jewel of 2014 is the relocation of the Sarpy County Caboose. The relocation was made possible through private donations given directly to the museum and through the *Omaha Gives Campaign*. We are fortunate to have a former Union Pacific Railroad employee guiding us through the process from the relocation to restoration.
