SARPY COUNTY MUSEUM KIDS WORK DAY

Sarpy County Museum is hosting The Way Kids Work on Saturday, December 19th from 10 a.m. to 12 p.m. Children and families are welcomed to this free program, being held in conjunction with the “The Way We Worked”, a Smithsonian Institution traveling exhibition currently being hosted by the museum.

Each area of the museum will feature a station on various ways Americans work. Children can build a skyscraper, see how far paper airplanes fly, explore the museum, make a toy doll and learn about Sarpy County history. Children can create their Superhero-themed activity. Children can create their own community helper hat and discover how and why we work. All items made can be taken home for future play.
